

MILLER SCHOLARSHIP STANDARDS 2021

The minimum GPA for an applicant is 3.40.

You must be enrolled in a 4 year program of studies to be eligible for this scholarship. Unfortunately WSCC does not qualify.

The money awarded is only presented once the first semester is completed. Thus it is a source of funds for the second semester.

Awards are generally in the \$1,800 range depending on income from our trust.

The Millers were appreciative of the fine arts. The application will include an essay for you to comment on any aspect of your life that concerns the fine arts.

The closing date for requesting an application is a postmark on your mailing envelope no later than February 11, 2021.

Detach and mail the request for application found below to:
