

# Washington County Fish and Game Association Scholarship Application

3-\$500 scholarship's will be awarded to a senior of a Washington County High School or surrounding area's which include West Virginia, who plans to enroll in an institution of higher learning for the coming school year.

The recipient will be selected on the basis of an application to the Washinton County Fish and Game Association. The criteria for selection include: grade point average, activities, interests, and a brief essay.

Preference will be given to applicants who have an emphasis in Wildlife and Fisheries Science.

The scholarship is nonrenewable. The money will be awarded to each winner upon evidence of the successful completion of the first term of the student's freshman year.
